Dear Mr Benson

3

Herewith I send

for such action as you may
deem proper a telegram
received by the Dewan yesterday
from Mr Verghese Ravallere

The construction put upon
this obscure telegram by
Mr Plummer is perhaps correct
whatever the meaning may
be Mr Verghese had no
business to wire to the

S

Dewan in the way he has
done, and you will I
have no doubt consider
the question whether some
notice should not be
taken of this irregularity

Yr very sincere

Edw) Chinwasegg

I can only suppose
he has had contradictory
orders from 2 different offices
out there and wants to know
under whose orders he is
If this is the correct construction
I think its rather an impertinent
step on his part telegraphing like
this to the Dewan and that
he should be shown up to
the law
Yr's Sincerely
J. B. P.
